Best Cities to Retire on a Budget

With nest eggs under attack by the declining economy, Forbes magazine ranked the best large metropolitan area to retire on a budget.

It considered housing affordability, inflationary pressures, and job prospects for the 20 percent of those older than 65 who are still employed. Also, the magazine considered were physicians per capita and the number of people in the area who rely on Medicare.

The magazine's top 10 choices were:

1. Columbus, Ohio
2. Dallas
3. Minneapolis
4. Houston
5. Salt Lake City
6. Indianapolis
7. Denver
8. St. Louis, Mo.
9. Atlanta
10. Nashville
